Dear Strachan

**Waste Electrical and Electronic Equipment Regulations 2006 (as amended)
 Notification of grant of approval of an authorised treatment facility**

We have considered your application for approval as an authorised treatment facility (AATF) under the Waste Electrical and Electronic Equipment Regulations 2006 (as amended) and hereby grant approval to Dataserv Recycling Ltd to operate as an AATF at the following sites only:

Site name and address	Approval number
<p>Dataserv Recycling Ltd Building 12 Vantage Point Business Village Mitcheldean Gloucestershire GL17 0DD</p>	<p>WEE/DD0003ZS/ATF</p>

Your approval is subject to the conditions of approval specified in Part 2 of Schedule 8 to the Regulations at the approved site listed above. A copy of these conditions is attached.

Your approval is valid from 01 January 2011 and ends on 31 December 2011, unless it is otherwise suspended or cancelled. The approval applies only to the named operator for the specified approved site. You must notify us immediately, in writing, of any changes to the details submitted with your application.

This approval applies only to the legal entity named in this letter. If this changes then your approval will be deemed to be cancelled and you must make a new application for approval. If you cease to be an authorised treatment facility your approval will also be deemed to be cancelled.

The approval allows you to issue evidence notes for waste electrical and electronic equipment (WEEE) which you received at this site and which is subsequently re-used, treated, recovered or recycled.

This approval does not replace any other environmental authorisation(s) that you may have for the sites. You must continue to comply with these and other relevant legislation.

AATFs wishing to be approved for the next compliance period (01 January – 31 December 2012) and to have their approval run continuously, should apply to the Environment Agency using the relevant application forms before 30 September 2011.

If you have any specific queries about your approval or general queries regarding the WEEE Regulations please contact Michael Brame on 08708 506 506.

Yours sincerely

Steven Skitt
